The soul is born and unfolds in a body, with dreams and desires and the food of life. And then it is reborn in new bodies, in accordance with its former works. The quality of the soul determines its future body; earthly or airy, heavy or light. Krishna Yajur Veda

Pursuit of the duties of the stage of life to which each one belongs—that, verily, is the rule! Others are like branches of a stem. With this, one tends upwards; otherwise, downwards. Krishna Yajur Veda
